

TOP 3

SAVINGS TIPS FOR SMART CITY PARKING PROGRAMS

1

REUSE, REVAMP.

Go green and save by reusing parking meter hardware retrofitted with cutting-edge smart parking technology from IPS Group.

2

GET EXCLUSIVE SAVINGS.

IPS customers may be entitled to a savings of 15-25% on lower negotiated credit card and merchant fees.

3

OPTIMIZE AND IMPROVE.

Increase city revenues by 25-50% with sensors that enhance operational efficiency through data that drives better decision-making.
